

Man was created in God's likeness. The devil stole man's humanity, love for God, family happiness, profession of the man to be lord of the Earth. Jesus restored humanity - three attributes of man: love for God, love for people, dominion over earthly creation. You can recover your identity for free by trusting in God. How? By crossing the hole. Go down and don't stay there but exit above. Start from going down to the root of the problem: Admit that you have lost the love for God, love for people and that creation has dominion over you instead of you having dominion over it. Admit that this loss is your fault, all the errors, unrealized destinations, are your big mistakes. Admit in your thoughts that it is so, with a word by saying that it is so, and in the body by immersion in water, which symbolizes the world and with it your downfall. Then emerge: Admit that Jesus bought your life, went in hell for you, He died for you, became cursed for you, became ill for you, and that you want Him to be your owner. Admit that you have access to the love of God, love for people and fulfilling of your calling, as well as lordship over creation. Admit this in your thoughts, in a word by saying that it is true, in the body through the emergence from the water, in which your fallen identity is left.

Read the list of verses from the Word of God, in which God speaks about you, what you possess in His Son, Jesus Christ, because you have accepted Him as your Savior and Lord. If you confess it - and the blood of Jesus gives you the right to do so - the Holy Spirit makes real the Truth of God in your life. If you are thinking and talking negatively, Satan will make use of that. You will get all what you confess, in your life. It is you who confesses - you confess through your mouth - down which road you are going to go.
